

# N95 1730 - Particulate Respirator

**NIOSH Approved N95 Particulate Respirator provides at least 95% filtration efficiency against solid and liquid aerosols that do not contain oil.**

## KEY FEATURES

- Soft foam nose cushion
- Contoured formable aluminum nose-clip
- Smooth latex-free polymer headstraps won't catch on hair. No pre-stretching needed.
- Safer staple-free construction
- Collapse resistant double-shell construction
- More durable, double-shell construction for long life and better value
- Made in U.S.A

		<b>Louis M. Gerson Co Inc.</b> MIDDLEBORO , MA 1-800-225-8623			
This cartridge is approved only in the following configurations:					
TC-	Protection <sup>1</sup>	Respirator	Cautions and Limitations <sup>2</sup>		
84A-0160	N95	1730	ABCJMNOP		

**<sup>1</sup> PROTECTION**

N95 Particulate filter (95% filter efficiency level) effective against particulate aerosols free of oil; time use restrictions may apply.

**<sup>2</sup> CAUTIONS AND LIMITATIONS**

- A - Not for use in atmospheres containing less than 19.5 percent oxygen.
- B - Not for use in atmospheres immediately dangerous to life or health.
- C - Do not exceed maximum use concentrations established by regulatory standards.
- J - Failure to properly use and maintain this product could result in injury or death.
- M - All approved respirators shall be selected, fitted, used, and maintained in accordance with MSHA, OSHA and other applicable regulations.
- N - Never substitute, modify, add, and, or omit parts. Use only exact replacement parts in the configuration as specified by the manufacturer.
- O - Refer to user instructions, and/or maintenance manuals for information on use and maintenance of the respirators.
- P - NIOSH does not evaluate respirators as surgical masks

**NOTE:** Before occupational use of this respirator a written respiratory protection program must be implemented meeting all the local government requirements. In the United States employers must comply with OSHA 29 CFR 1910.134 which includes medical evaluation, training and fit testing.
